

Job title: Sales Representative

Company: ForestNation (Supplier of Unique Tree kit promo products)

Location: Remote (US)

Job type: Agent (Commissions based)

Experience: 2+ experience in the Promotional Products industry (Independent Multi-line Sales Reps having contacts with clients and distributors preferred)

Hiring contact: Swadesh Padhi (spadhi@forestnation.com)

About the job:

We're looking for Sales Reps who can sell our promo product to clients and distributors. You get healthy commissions and you'll be doing a lot of good for our planet.

We make tree kits in the US that have been used by companies like Philips Monitors, Salesforce, Panasonic to stand out in their promotions.

It's a unique product because we plant matching trees for every tree planted. Learn more about it at <https://forestnation.com/promotional-product/>
